Flexi-link Taxi Service Route:

The flexi-link taxi service usually follows the route shown on the map. However, if there are fewer bookings, the taxi may take a more direct route.

There is no pick-up on journeys to Tewantin east of Yellowwood Close, as this is in a Sunbus serviced area, and on journeys to Boreen Point, there is no drop off prior to Yellowwood Close, as this is in a Sunbus serviced area.

The flexi-link taxi service is coordinated with buses at Tewantin. Should the service run late and cause passenger/s to miss a connection with a Sunbus service, Suncoast Cabs will be required to carry the passengers forward, at no extra cost, to either their destination or a connecting service, whichever is the closer.
